

KATHARINE L. LOEB, PH.D.

EDUCATION AND LICENSURE

DEGREES EARNED

RUTGERS, The State University of New Jersey Piscataway, NJ

Ph.D. in Clinical Psychology May 2000

M.S. in Clinical Psychology January 1997

BARNARD COLLEGE, Columbia University New York, NY

B.A. May 1991, *Cum Laude*; Dean's List

Majors: Psychology and Women's Studies

INTERNSHIP

UNIVERSITY OF MEDICINE AND DENTISTRY OF NEW JERSEY Piscataway, NJ

American Psychological Association-Accredited Internship in Clinical/Community Psychology

Psychology Intern

September 1998 - August 1999

FELLOWSHIP

COLUMBIA UNIVERSITY, COLLEGE OF PHYSICIANS AND SURGEONS, DEPARTMENT OF PSYCHIATRY

New York, NY

Division of Child and Adolescent Psychiatry

National Institute of Mental Health T32-Grant Post-Doctoral Research Fellow July 2000 – June 2003

LICENSURE

Psychologist, New Jersey, License Number 35SI 00549900, August 2015 – present

Clinical Psychologist, Illinois, License Number 071006595, July 2003 – present

Psychologist, New York, License Number 015412, January 2003 – present

POST-DOCTORAL COURSEWORK

- *Missing Data Procedures for Psychosocial Research*, Summer 2009 Institute in Mental Health Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD
- *Estimating the Effects of Mental Health Interventions in Non-Experimental Settings*, Summer 2008 Institute in Mental Health Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD

- *Application of Behavioral Analytic Principles*, Fall 2007, Rutgers, The State University of New Jersey, Piscataway, NJ
- *Introduction to Behavioral and Psychiatric Genetics*, Summer 2007 Institute in Mental Health Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD
- *Principles of Measurement in Mental Health Research*, Summer 2007 Institute in Mental Health Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD
- *Prevention Research in Mental Health*, Summer 2006 Institute in Mental Health Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD
- *Developmental Psychology: Childhood*, Spring 2006, Teachers College, Columbia University, New York, NY
- *Treating Adolescents and their Families*, Fall 2005 – Spring 2006, Ackerman Institute for the Family, New York, NY
- *Developmental Psychopathology: Atypical Contexts*, Fall 2005, Teachers College, Columbia University, New York, NY

PROFESSIONAL APPOINTMENTS

CHICAGO CENTER FOR EVIDENCE-BASED TREATMENT Chicago, IL

Director of Research and Training

July 2020 – Present

TRAINING INSTITUTE FOR CHILD AND ADOLESCENT EATING DISORDERS

Trainer, Consultant, and Certified Therapist in Family-Based Treatment

January 2009 – Present

FAIRLEIGH DICKINSON UNIVERSITY, SCHOOL OF PSYCHOLOGY Teaneck, NJ

PhD Program in Clinical Psychology

Academic Appointments:

Professor of Psychology

July 2015 - May 2020 (Retired)

Associate Professor of Psychology

February 2008 – June 2015

Administrative Appointments:

Director, Eating, Feeding, and Weight Disorders Lab

February 2008 – May 2020

Director of Clinical Training

July 2012 – June 2014

Co-Director of Clinical Training

July 2010 – June 2012

Center for Psychological Services Appointments:

Director, Eating, Feeding, and Weight Disorders Practicum

July 2016 – May 2020

Co-Director, Supervision Practicum

July 2009 – May 2020

University-Level Service Appointments:

Institutional Review Board

July 2012 – May 2020

Provost's Seed Grant Committee

July 2012 – May 2020

Faculty Senate Academic Planning and Research Committee

Working Group: University Research Policy and Practice

July 2016 – June 2017

University Grants Director Search Committee

July 2008 – December 2008

MOUNT SINAI SCHOOL OF MEDICINE, DEPARTMENT OF PSYCHIATRY New York, NY

Eating and Weight Disorders Program

Adjunct Associate Professor	January 2013 – March 2015
Adjunct Associate Professor & Director of Research	February 2008 – December 2012
Assistant Professor & Founding Director	January 2004 – January 2008
Founding Member, Weight Management Council	January 2004 – January 2008

THE UNIVERSITY OF CHICAGO, DEPARTMENT OF PSYCHIATRY Chicago, IL

Consultant, Obesity Surgery Program	January 2004 – May 2004
Clinical Director, Eating Disorders Program	August 2003 – January 2004

COLUMBIA UNIVERSITY, COLLEGE OF PHYSICIANS AND SURGEONS, DEPARTMENT OF PSYCHIATRY

New York, NY

Divisions of Child and Adolescent Psychiatry & Clinical Psychopharmacology

Assistant Professor of Clinical Psychology in Psychiatry	July 2003 – August 2003
National Institute of Mental Health T32-Grant Post-Doctoral Research Fellow	July 2000 – June 2003

TEACHERS COLLEGE, COLUMBIA UNIVERSITY New York, NY

Adjunct Assistant Professor of Psychology	January 2002 – May 2002
---	-------------------------

RUTGERS EATING DISORDERS CLINIC Piscataway, NJ

Psychology Extern, Clinic Coordinator, and Research Fellow	September 1994 - September 1998
--	---------------------------------

PAYNE WHITNEY PSYCHIATRIC INSTITUTE New York, NY

Psychology Extern, Cognitive Behavioral Therapy Clinic	September 1996 - June 1997
--	----------------------------

RUTGERS, THE STATE UNIVERSITY OF NEW JERSEY Piscataway, NJ

Instructor	June-August 1996
------------	------------------

RUTGERS PSYCHOLOGICAL CLINIC Piscataway, NJ

Psychology Extern	May 1995 - August 1996
-------------------	------------------------

COLUMBIA UNIVERSITY, DEPARTMENT OF PSYCHIATRY New York, NY

Division of Clinical Psychopharmacology

Project Coordinator, Eating Disorders Research Unit	February 1991 - September 1995
---	--------------------------------

PROFESSIONAL SERVICE ACTIVITIES

MEMBERSHIPS AND OFFICES HELD IN PROFESSIONAL ORGANIZATIONS

Academy for Eating Disorders

- Co-Chair, Child and Adolescent Special Interest Group (2008 - 2012)

- DSM-5 Position Paper Task Force Member, Child and Adolescent Special Interest Group (2006 - 2011)
- Co-Chair, Special Interest Group Oversight Committee (2005 - 2008)
- Member, Scientific Program Committee (2005 - 2008)
- Member, Special Interest Group Oversight Committee (2003-2005)
- Co-Chair, Cognitive Behavioral Therapy Special Interest Group (2002-2005)

American Psychological Association

- **Division 12 (Society of Clinical Psychology), Committee on Science and Practice: Section Editor for Eating Disorders** (2007 – 2010)
Updated guidelines for empirically supported treatments for anorexia nervosa, bulimia nervosa, binge eating disorder, and obesity.

Association for Behavioral and Cognitive Therapies

Association for Psychological Science

APPOINTMENTS

Editorial Board, *International Journal of Eating Disorders* (2014 – present)

- Super Reviewer Status (2016)

Editorial Board, *Behaviour Research and Therapy* (2004 – present)

American Psychiatric Association (APA): Peer-nominated as a clinical and research expert for, and participated in, the development of new practice guidelines on the treatment of eating disorders (2017)

Advisory Board Member, Center for the Study of Anorexia and Bulimia, New York, NY (2007 – 2010)

Invited Member, Working Group for the Classification of Child and Adolescent Eating Disorders (2006 – 2010) Developed position papers (co-sponsored by the Academy for Eating Disorders, Eating Disorders Research Society, American Psychological Association, American Academy for Child and Adolescent Society, and Society for Adolescent Medicine) recommending developmentally sensitive criteria revisions for the upcoming *Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition*.

American Psychiatric Association (APA): Co-Chair, Eating Disorders Workgroup, DSM-IV-TR (1997-1999) Revised the Eating Disorders section of *The Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition*, as an invited member of the DSM-IV-TR Interim Text Revision Workgroup.

COMMUNITY SERVICE

Medical Advisory Board, Relief Resources: Provide voluntary consultative services to mental health referral service. Appeared in public service video on the importance of recognition and treatment of mental disorders, including eating disorders. Authored patient-oriented booklet on eating disorders for distribution in physician's offices. (2005 – present)

Clinical Advisor, Maudsley Parents, a Member of the Eating Disorders Coalition for Research, Policy, and Action (2008 – 2015). Provided voluntary consultation to this advocacy group as well as responded to direct patient and family inquiries for information, referrals, and help. Appeared in video presentation entitled, *Anorexia nervosa in teens: What parents should know* (2009), available at <http://vimeo.com/6351950>

Member, Curriculum Advisory Committee, Northern New Jersey Community Foundation *Fit Families to Prevent Childhood Obesity* grant, funded by the American Academy of Pediatrics (2010 - 2013).

Member, Advisory Board, JACS (Jewish Alcoholics, Chemically Dependent Persons, and Significant Others), a program of the Jewish Board of Family and Children's Services (2010 - 2012)

Someday Melissa: Provided background interview and information for public service documentary film about eating disorders; see <http://www.somedaymelissa.org/> (2010).

About Our Kids: Public service interview on eating disorders with Sirius XM Doctor's Radio show (2010).

The Hewitt School, New York, NY: Presented on *Eating disorders: What parents should know* at the school Wellness Fair (2009).

PBS - Keeping Kids Healthy: Public service interview, *Anorexia – recognizing and combating it in your child (Episode #806)*. Available at www.keepingkidshealthy.org (2007).

The Dalton School, New York, NY: Presented on *Eating disorders: What schools should know* (2004).

HONORS, AWARDS, AND SCHOLARSHIPS

Fairleigh Dickinson University

- Distinguished Faculty Award for Research and Scholarship (2015)
- Office of Grants and Sponsored Projects: Honoree in recognition of research grant funding and activity (2013)

Academy for Eating Disorders

- Inducted as Fellow (2015), for distinguished contributions to the field of eating disorders.
- New Investigator Conference Fellowship Award (2002)

Association for Psychological Science

- Inducted as Fellow (2016), for sustained and outstanding distinguished contributions to psychological science

Association for the Advancement of Behavior Therapy

- Graduate Student Research Achievement Award presented by the Eating Disorders and Obesity Special Interest Group (1998)

Rutgers University

- Walter T. Russell Academic Scholarship (1994-1998)

Barnard College

- Leadership Recognition Award (1987-1991)

GRANTS

CURRENT GRANTS

NIMH R01 MH110445

Steinglass (PI)

4/1/17-3/31/22

Longitudinal Assessment of Neural Circuits in Adolescents with Anorexia Nervosa

This longitudinal, multimodal MRI study of reward and habit circuits in youth with AN will examine changes in neural circuits among individuals with AN who continue with illness compared with those who remit.

Role: Consultant

COMPLETED GRANTS

FDU Dean's Grant-in-Aid

Radnitz (PI)

07/01/18 – 06/30/19

Testing the Limits of Optimal Defaults in Sustainable Food Menus

The purpose of this study is to test the effects of optimal defaults in increasing unfamiliar, sustainable food choices in restaurant menu selections.

Role: Co-Principal Investigator

FDU University Provost Seed Grant

Loeb (PI)

07/01/15 – 06/30/16

Behavioral Economics and Children's Vegetable Consumption

The purpose of this study is to apply behavioral economics, specifically optimal defaults and framing, to increase vegetable consumption in children.

Role: Principal Investigator

USDA/NIFA 2013-69001-20416 Loeb (PI) 01/1/13 – 12/31/15
Prevention of Late Adolescent Obesity in the College Environment: An Optimal Default Paradigm

The goal of this study is to test the effectiveness of using behavioral economics, specifically optimal defaults, to improve dietary choices as a model for obesity prevention in adolescents. *The terms of this award require that 20% of my professional time and effort be devoted to grant activities.*

Role: Principal Investigator

Baker Foundation Grant, University of Melbourne Le Grange & Sawyer (PIs) 7/1/09-6/30/15
Child and Adolescent Eating Disorders

The goals of this grant are to develop an infrastructure for eating disorders research and conduct a randomized controlled trial to test advanced applications of family based treatment for adolescent anorexia nervosa.

Role: Consultant

FDU University Provost Seed Grant Loeb (PI) 12/01/12 – 06/30/13
Optimal Defaults in the Prevention of Childhood Obesity: A School-Based Pilot Study

The purpose of this study is to apply behavioral economics, specifically optimal defaults, to the prevention of obesity in a school-based setting by improving the lunch program.

Role: Principal Investigator

K23DA024043-01A1 Hildebrandt (PI) 8/1/08-5/31/13
Bio-behavioral Consequences of Appearance and Performance Enhancing Drug Use

National Institute on Drug Abuse

This grant is a career development award designed to train the investigator in the study of sex hormone—psychopathology interactions and the specific research project involves piloting a longitudinal model of on-cycle and off-cycle AAS use where the relationship between endocrine markers (e.g., Testosterone, etc.) and behavioral measures of impulsivity will be explored.

Role: Consultant

USDA/NIFA 2011-67002-30086 Loeb (PI) 2/15/11-2/14/13
Optimal Defaults and Parent Empowerment in the Prevention of Early Childhood Obesity: A Community Center-Based Pilot Study

United States Department of Agriculture/National Institute of Food and Agriculture

This childhood obesity prevention seed grant includes two analogue studies testing optimal defaults in food and exercise paradigms, and also examines whether parent empowerment priming potentiates the effects of optimal defaults. *The terms of this award required that 20% of my professional time and effort be devoted to grant activities.*

Role: Principal Investigator

R21HD057394-01A1 Loeb (PI) 9/15/08 – 8/31/11
Parent-Based Treatment for Pediatric Overweight

National Institute of Child Health and Human Development

The goals of this grant are to (a) develop a parent focused intervention for pediatric obesity that addresses the unique needs of adolescents and modifies parenting practices in a developmentally

sensitive manner, and (b) test the efficacy of this intervention relative to nutritional education counseling in a randomized controlled trial. *The terms of this award required that 20% of my professional time and effort be devoted to grant activities.*

Role: Principal Investigator

K23 MH074506-01

Loeb (PI)

9/1/05 – 5/31/11

Early Identification and Treatment of Anorexia Nervosa

National Institute of Mental Health

This research, part of a career development award, improves methods for the early identification of anorexia nervosa (AN) and tests a family-based treatment with demonstrated efficacy for AN in a prodromal adolescent population for the purposes of prevention of full-threshold AN and reduction in extant symptoms. *The terms of this award required that 75% of my professional effort be devoted to grant activities, including both career development activities and research-specific activities.*

Role: Principal Investigator

1R03 DA022444-01

Hildebrandt (PI)

9/1/07-6/30/09

Assessment of Appearance and Performance Enhancing Drug Use

National Institute on Drug Abuse

This study is a multi-site measure development study designed to create a semi-structured assessment of the drug use behavior and pathological consequences to appearance-and-performance enhancing drug use (APED) use.

Role: Co-Investigator

Columbia University

Loeb (PI)

7/1/01-6/30/02

Family-Based Treatment for Adolescent Anorexia Nervosa

Two sequential internal grants funded an open dissemination trial of a new outpatient intervention for adolescent anorexia nervosa designed to replace hospitalization and prevent relapse.

Role: Principal Investigator

APPOINTMENTS

Member, Data Safety and Monitoring Board for NIH R01 grant *Shifting Perspectives: Enhancing Outcomes in Anorexia Nervosa with Cognitive Remediation Therapy* (PI: Timko) (2019 -)

Research Supervisor, Eleanor McGlinchey, PhD's National Institutes of Health Extramural Loan Repayment Award for Clinical Research (2017 -)

Member, Scientific Advisory Committee for Collaborative Research at the Calgary Eating Disorders Program and the University of Calgary, Alberta, CA (2016 -)

Member, Data Safety and Monitoring Board for NIH R01 grant *Asthma symptom perception feedback intervention for ethnic minority adolescents* (PI: Feldman) (2015 -)

Chair, Data Safety and Monitoring Board for NIH R21 grant *Adaption of a Behavioral Treatment for Latinos with Asthma and Panic Disorder* (PI: Feldman) (2011-2013)
